LOCAL PHOENIXVILLE BOY EARNS MENU NAME

Phoenixville (April 16, 2008): Spiedie Bistro, a Phoenixville, PA based fresh, fast casual grill, has decided to grow its menu with the help of a local high school student.

Doug Pierce, a senior at Phoenixville Area High School was recently awarded for his dedication and enthusiasm he shares for Spiedie Bistro. After 30 consecutive days of purchasing a Spiedie sandwich, the owner of Spiedie Bistro decided to name the grill cheese after Doug, which is a new item on the menu. “The name Doug Funnee works well for the sandwich since it’s on our kids menu”, says Laing

“I’ve worked really hard for this, I know I made my parents and friends proud”, Doug said. Doug was honored on April 11th, 2008 with a tin foil trophy, representing his sandwich (see picture below).

On April 18th, Spiedie Bistro is rolling out its new menu which includes wraps, burgers, kids menu, and salads. There will be three types of wraps, a vegetarian wrap made with tofu, an all vegetable wrap and a spiedie wrap. The burgers will consist of organic portabello mushrooms marinated in the

famous Spiedie Bistro marinade, and an organic/grass fed bison burger. The kids menu will consist of the Doug Funnee and the salad menu will be made up of 3 delicious salads instead of the build your own menu.

Spiedie Bistro is open Monday-Saturday, 11am-9pm and you can visit at www.spiediebistro.com to view our new menu.
